

Dear ACUC Members,

In our continuing efforts to better serve the members of the Association of College and University Clubs and to allow for our association to retain its viability and to prosper for years to come we have developed the attached questionnaire. This brief survey is aimed at providing the board useful information in determining the interests of our association in continuing education.

With the limited resources available to us and our partnerships with CMAA and CSCM we are working toward providing the best possible educational experience at the most reasonable of costs.

This questionnaire will take no more than five minutes to complete but will provide us with the information necessary to give your board future direction in allocating our educational resources.

We hope that you will take the time to help us help our association.

Sincerely,

Leanne Pepper
ACUC President
